LAKE WC Rim-Off BTW White

Product Identification

RA10100888232

LAKE WC Rim-Off BTW White

Definition and Application

Rim-Off Back To Wall toilet, floor-standing, with round lines, organic and elegant design. It allows for easy and more hygienic cleaning given the absence of a rim, thus ensuring access to the so-called difficult areas of the toilet. Its resistant and shiny material, which guarantees robustness and durability, also allows for easy and more hygienic cleaning due to the absence of a closed rim, thus ensuring access to the so-called difficult areas of the toilet. Combined with OLI's ultra-efficient flush cisterns, this is a solution that will guarantee sustainability, functionality and beauty in any bathroom space.

The measurements shown are in millimeters
