TOILET SEAT COVER 02 DUROSOFT WHITE

Definition and Application

With round lines, with materials that provide high resistance to impacts and, with antibacterial properties that provide a high degree of hygiene, it is the ideal solution to combine with the Lake toilet model.

Comfort and durability are guaranteed factors with this seat cover that has a cushioned fall system that allows greater safety, especially for children.

The Seat Cover fixing system is made from the top, making the assembly process more comfortable and quick, with quick and easy adjustment. Disassembly is simplified by the "QUICK RELEASE" system, allowing good cleaning of the seat cover and the respective toilet.
